

February 17, 1976

Mr. President, your Committee on Judiciary, to whom was referred LB 747, instructs me to report the same to the Legislature with the recommendation it be advanced to General File as amended. Signed, Senator Luedtke, Chairman.

I move for the introduction of the attached bill. Signed, Senator Kennedy. (Read title to Req. No. 1492 found on page 682 of the Journal).

PRESIDENT: We also have, in the South balcony, 45 students from UNO. They're with their instructor John Ells. Thank you very much for coming. These students are primarily from Senator Goodrich's district.

We also have, in the North balcony, 17 students from the Adams school which is Senator Burrows district. Mrs. Hershburger is the teacher. Thank you also for coming to the Nebraska Legislature.

Senator Kennedy, your motion to introduce a bill.

SENATOR KENNEDY: Yes. Mr. President, fellow members. I hesitate, as you might know.... I do not think that we should introduce anymore bills. This bill is quite important because Senator Richard Lewis had many meetings through the interim study. This bill has to do with the emergency ambulance group. I'm sure if we have any detailed questions we can ask Senator Richard Lewis. I do think it's important that we introduce the bill today. We have a hearing next Tuesday afternoon which will be our last day of hearings. We do have time to hear the bill next Tuesday. I'm sure that Senator Lewis' request is that we do try and introduce it and hold this hearing next Tuesday. I know we have too many bills to consider through the rest of the session, but this would be for public hearing.

I hope that we will cooperate and introduce this bill at this time.

PRESIDENT: Any further discussion? The question is shall this bill be introduced. Record your vote. Please vote. Record.

CLERK: 34 ayes, 0 nays on motion to introduce the bill.

PRESIDENT: The bill is introduced.

CLERK: Read title to LB 1003.

Mr. President, a Reference Committee Report referring LR 110 to the Education Committee and LR ... LB 1003 to Public Health and Welfare. Signed, Senator Mahoney.

PRESIDENT: In the South balcony we have 23 students from Sterling High School which is in Senator Jerome Warner's district. We're very happy to have you students here. Thank you for coming.

Senator Syas, for what purpose do you ask recognition?
